

Email: Get Businesses Active

Subject Line: We want YOU to join our local marketplace!

Hi [NAME],

We're building up our community online, and your business isn't yet an active member of our Shop Where I Live platform. This site gives our community the ability to purchase products and services online from our local business, and we can't make it as great as it should be without your participation.

Go to this link to sign in to your account, or create one if you haven't yet done so: <https://site.shopwhereilive.com/my-account/>. It's pretty simple to get started, and you can have everything set up in less than an hour, including products added/sold on the site.

Let us know if you have any questions or need assistance along the way. We are hopeful that you'll join/get active on the site so we can further promote your business in the community marketplace.

Sincerely,

Your Name
