

VENDOR TESTIMONIALS

"A huge thank you for providing this e-commerce site! I now have hope that my business will survive."

BOUTIQUE SHOP OWNER

"I was looking for an easy way to sell our products online. Shop Where I Live helped us do just that! The platform is very easy to use and it is straightforward to add products. Being a clothing store, we have a lot of products with a lot of different size options and I was really impressed that we could quickly and efficiently get these products online. Most importantly, the Shop Where I Live Team is a pleasure to work with! They always respond to any of my questions extremely quickly and are happy to help with anything I need."

OLIVIA RANDALL, OWNER, BAUMAN & CO CLOTHING

"Shop Where I live has by far exceeded my expectations. To be honest initially I was pretty skeptical and a hard sell on the idea. I really only did it to support the Chamber, but I am so glad I did. I've had a few people reach out to our business to inquire about Shop Where I Live and we have always given them a 5 star review."

RYLIE MILLS, OWNER, MILLS FARM NE SIGNS

"YOU GUYS ARE AWESOME, THANK YOU!!"

WELLNESS SPA OWNER

"With our website being tied to Shop Where I Live, we have increased our number of website views by 1800. You can't get that kind of exposure with newspaper or radio, because these are actual views, not circulation! It's as if customers peeked into our store window 1800 times!"

MARK WEISER, OWNER, DKW ART GALLERY

"Truly, I was blown away!! Honestly, almost brought to tears, because I have never had such exceptional high quality customer service!!"
