

SPONSORSHIP & FUNDRAISING *Opportunities*

If you're looking for a way to offset your platform cost or monetize it for your organization, we've put together an outline on how you can the sell benefits of becoming a site sponsor for the platform.

The ideas on the following page are included to guide you in benefits to the sponsors, however, it's important to understand that different companies and organizations may prefer different types of sponsor benefits.

Use the list of ideas as a guide to work into your current sponsorship structure, Please note that pricing listed is a guide only, and should be determined by your organization and existing relationships. You could also rearrange the benefits to create other size sponsorship packages.

Goals to be communicated by sponsoring a local marketplace website:

- Provides a space for small businesses and entrepreneurs to gain access to a low or no cost marketing platform to market and sell their products.
- Provides a way to integrate “shop local” initiatives in today's online world. Run virtual campaigns, programs and events through the site to help circulate local dollars and connect businesses to online customers.
- Provides a way for customers to shop your local businesses without even being in your city or state, different than local foot-traffic initiatives that are limited in-store hours and proximity to the location.
- Provide a tangible member benefit that can be utilized by even the smallest of businesses.
- Increase the likelihood that new businesses can build a customer base and increase sales online.
- Meet diversity and inclusion goals, allowing a “black owned” , “women owned”, “Latinx owned” pages where owners products and stories are featured.
